Church Work Day

Saturday, February, 6th
We will bolt together the metal framing for the administration and storage buildings before erecting them.

Sermon Notes

Parents of Young Children may pick up an activity bag for your child's use during worship. They are located on the pencil racks at each entrance. Please return the bag and its contents to the stand when you leave. You may keep the colored pages.

What the public invitation is for

Frequently, at the end of the pastor's message he will extend an invitation for people to come forward. This is to give an opportunity for those who feel led by God to pray at the altar or with the pastor.

The invitation is also for those who wish to speak to the pastor about a decision they believe God is asking them to make such as giving one's life to Jesus Christ or to ask for membership in the church. Other decisions may involve surrendering to God for vocational ministry or missions.

To give your life to Jesus is a matter of asking Him to forgive you of your sin and yield your life to Him as your Lord and Savior. The Pastor will gladly guide you through this prayer and rejoice with you in your new and eternal life through Christ.

Membership in Village Meadows involves first giving your life to Jesus Christ and if you've already done so, then obeying His command to be baptized. If you've already accepted Christ and been scripturally baptized by immersion, you're membership is based on your profession of having done those things already.

Please prayerfully consider what God may be asking you to do when the invitation is given.
